(1) To pay promptly when due any indebtedness to the Government hereby secured and to indemnify and save harmless the Government against any loss under its insurance of payment of the note by reason of any default by Borrower. At all times when the note is held by an insured holder, Borrower shall continue to make payments on the note to the Government, as collection agent for the holder.

(2) To pay to the Government such fees and other charges as may now or hereafter be required by regulations of the Farmers Home Administration.

(3) If required by the Government, to make additional monthly payments of 1/12 of the estimated annual taxes, assessments, insurance premiums and other charges upon the mortgaged premises.

(4) Whether or not the note is insured by the Government, the Government may at any time pay any other amounts required herein to be paid by Borrower and not paid by Borrower when due, as well as any costs and expenses for the preservation, protection, or enforcement of this lien, as advances for the account of Borrower. All such advances shall bear interest at the rate borne by the note which has the highest interest rate.

(5) All advances by the Government as described by this instrument, with interest, shall be immediately due and payable by Borrower to the Government without demand at the place designated in the latest note and shall be secured hereby. No such advance by the Government shall relieve Borrower from breach of Borrower's covenant to pay. Any payment made by Borrower may be applied on the note or any indebtedness to the Government secured hereby, in any order the Government determines.

(6) To use the loan evidenced by the note solely for purposes authorized by the Government.

(7) To pay when due all taxes, liens, judgments, encumbrances, and assessments lawfully attaching to or assessed against the property, including all charges and assessments in connection with water, water rights, and water stock pertaining to or reasonably necessary to the use of the real property described above, and promptly deliver to the Government without demand receipts evidencing such payments.

(10) To comply with all laws, ordinances, and regulations affecting the property.

MS94-527

11' To pay or reimburse the Government for expenses reasonably necessary or incidental to the protection of the lien and priority hereof and to the enforcement of or the compliance with the provisions hereof and of the note and any supplementary agreement (whether before or after default), including but not limited to costs of evidence of title to and survey of the property, costs of recording this and other instruments, attorneys' fees, trustees' fees, court costs, and expenses of advertising, selling, and conveying the property.

12' Neither the property nor any portion thereof or interest therein shall be leased, assigned, sold, transferred, or encumbered voluntarily or otherwise, without the written consent of the Government. The Government shall have the sole and exclusive rights as mortgagee hereunder, including but not limited to the power to grant consents, partial releases, subordinations, and satisfaction, and no insured holder shall have any right, title or interest in or to the lien or any benefits hereof.

13' At all reasonable times the Government and its agents may inspect the property to ascertain whether the covenants and agreements contained herein or in any supplementary agreement are being performed.

14' The Government may (a) extend or defer the maturity of, and renew and reschedule the payments on, the debt evidenced by the note or any indebtedness to the Government secured by this instrument, (b) release any party who is liable under the note or for the debt from liability to the Government, (c) release portions of the property and subordinate its lien, and (d) waive any other of its rights under this instrument. Any and all this can and will be done without affecting the lien or the priority of this instrument or Borrower's or any other party's liability to the Government for payment of the note or debt secured by this instrument unless the Government says otherwise in writing. HOWEVER, any forbearance by the Government—whether once or often—in exercising any right or remedy under this instrument, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy.

15' If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a production credit association, a Federal land bank, or other responsible cooperative or private credit source, at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will upon the Government's request, apply for and accept such loan in sufficient amount to pay the note and any indebtedness secured hereby and to pay for any stock necessary to be purchased in a cooperative lending agency in connection with such loan.

16' Default hereunder shall constitute default under any other real estate, or under any personal property, or other security instrument held or insured by the Government and executed or assumed by Borrower, and default under any such other security instrument shall constitute default hereunder.

17' SHOULD DEFAULT occur in the performance or discharge of any obligation in this instrument or secured by this instrument, or should the parties named as Borrower die or be declared incompetent, or should any one of the parties named as Borrower be declared a bankrupt or an insolvent, or make an assignment for the benefit of creditors, the Government, at its option, with or without notice, may: (a) declare the entire amount unpaid under the note and any indebtedness to the Government hereby secured immediately due and payable, (b) for the account of Borrower incur and pay reasonable expenses for repair or maintenance of and take possession of, operate or rent the property, (c) upon application by it and production of this instrument, without other evidence and without notice of hearing of said application, have a receiver appointed for the property, with the usual powers of receivers in like cases, (d) foreclose this instrument as provided herein or by law, and (e) enforce any and all other rights and remedies provided herein or by present or future laws.

18' The proceeds of foreclosure sale shall be applied in the following order to the payment of: (a) costs and expenses incident to enforcing or complying with the provisions hereof, (b) any prior liens required by law or a competent court to be so paid, (c) the debt evidenced by the note and all indebtedness to the Government secured hereby, (d) inferior liens of record required by law or a competent court to be so paid, (e) at the Government's option, any other indebtedness of Borrower owing to or insured by the Government, and (f) any balance to Borrower. At foreclosure or other sale of all or any part of the property, the Government and its agents may bid and purchase as a stranger and may pay the Government's share of the purchase price by crediting such amount on any debts of Borrower owing to or insured by the Government, in the order prescribed above.

19' Borrower agrees that the Government will not be bound by any present or future laws, (a) providing for valuation, appraisal, homestead or exemption of the property, (b) prohibiting maintenance of an action for a deficiency judgment or limiting the amount thereof or the time within which such action must be brought, (c) prescribing any other statute of limitations, or (d) limiting the conditions which the Government may by regulation impose, including the interest rate it may charge, as a condition of approving a transfer of the property to a new Borrower. Borrower expressly waives the benefit of any such State laws. Borrower hereby relinquishes, waives, and conveys all rights, inchoate or consummate, of descent.

20' If any part of the loan for which this instrument is given shall be used to finance the purchase, construction or repair of property to be used as an owner-occupied dwelling (herein called "the dwelling") and if Borrower intends to sell or rent the dwelling and has obtained the Government's consent to do so (a) neither Borrower nor anyone authorized to act for Borrower will, after receipt of a bona fide offer, refuse to negotiate for the sale or rental of the dwelling or will otherwise make unavailable or deny the dwelling to anyone because of race, color, religion, sex or national origin, and (b) Borrower recognizes as illegal and hereby disclaims, and will not comply with or attempt to enforce any restrictive covenants on the dwelling relating to race, color, religion, sex or national origin.

21' This instrument shall be subject to the present regulations of the Farmers Home Administration, and to its future regulations not inconsistent with the express provisions hereof.

22' Notices given hereunder shall be sent by certified mail, unless otherwise required by law, and addressed, unless and until some other address is designated in a notice so given, in the case of the Government to Farmers Home Administration, P. O. Box 905, Federal Building, Harrisburg, Pennsylvania 17108, and in the case of Borrower to the address shown in the Farmers Home Administration Finance Office records (which normally will be the same as the post office address shown above).

23 Upon default by Borrower as aforesaid, the Government may foreclose this instrument as authorized or permitted by the laws then existing of the jurisdiction where the property is situated and of the United States of America, on terms and conditions satisfactory to the Government, including but not limited to foreclosure by (a) statutory power of sale, or (b) advertisement and sale of the property at public auction to the highest bidder in one or more parcels at the Government's option and at the time and place and in the manner and after such notice and on terms required by statute or determined by the Government if not contrary to statute, or (c) written agreement hereafter made between Borrower and the Government.

24 THIS DOCUMENT MAY NOT SELL, CONVEY, TRANSFER, INCLUDE, OR INSURE THE TITLE TO THE COAL AND RIGHT OF SUPPORT UNDERNEATH THE SURFACE LAND DESCRIBED OR REFERRED TO HEREIN: AND THE OWNER OR OWNERS OF SUCH COAL MAY HAVE THE COMPLETE LEGAL RIGHT TO REMOVE ALL SUCH COAL, AND IN THAT CONNECTION DAMAGE MAY RESULT TO THE SURFACE OF THE LAND AND ANY HOUSE, BUILDING, OR OTHER STRUCTURE ON OR IN SUCH LAND. THE INCLUSION OF THIS NOTICE DOES NOT ENLARGE, RESTRICT OR MODIFY ANY LEGAL RIGHTS OR ESTATES OTHERWISE CREATED, TRANSFERRED, EXCEPT OR RESERVED BY THIS INSTRUMENT.

25 If any provision of this instrument or application thereof to any person or circumstances is held invalid, such invalidity will not affect other provisions or applications of the instrument which can be given effect without the invalid provision or application, and to that end the provisions hereof are declared to be severable.

(11) To pay or reimburse the Government for expenses reasonably necessary or incidental to the protection of the lien and priority hereof and to the enforcement of or the compliance with the provisions hereof and of the note and any supplementary agreement (whether before or after default), including but not limited to costs of evidence of title to and survey of the property, costs of recording this and other instruments, attorneys' fees, trustees' fees, court costs, and expenses of advertising, selling, and conveying the property.

(12) Neither the property nor any portion thereof or interest therein shall be leased, assigned, sold, transferred, or encumbered voluntarily or otherwise, without the written consent of the Government. The Government shall have the sole and exclusive rights as mortgagee hereunder, including but not limited to the power to grant consents, partial releases, subordinations, and satisfaction, and no insured holder shall have any right, title or interest in or to the lien or any benefits hereof.

(13) At all reasonable times the Government and its agents may inspect the property to ascertain whether the covenants and agreements contained herein or in any supplementary agreement are being performed.

(14) The Government may (a) extend or defer the maturity of, and renew and reschedule the payments on, the debt evidenced by the note or any indebtedness to the Government secured by this instrument, (b) release any party who is liable under the note or for the debt from liability to the Government, (c) release portions of the property and subordinate its lien, and (d) waive any other of its rights under this instrument. Any and all this can and will be done without affecting the lien or the priority of this instrument or Borrower's or any other party's liability to the Government for payment of the note or debt secured by this instrument unless the Government says otherwise in writing. HOWEVER, any forbearance by the Government—whether once or often—in exercising any right or remedy under this instrument, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy.

(15) If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a production credit association, a Federal land bank, or other responsible cooperative or private credit source, at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will upon the Government's request, apply for and accept such loan in sufficient amount to pay the note and any indebtedness secured hereby and to pay for any stock necessary to be purchased in a cooperative lending agency in connection with such loan.

(16) Default hereunder shall constitute default under any other real estate, or under any personal property, or other security instrument held or insured by the Government and executed or assumed by Borrower, and default under any such other security instrument shall constitute default hereunder.

(17) SHOULD DEFAULT occur in the performance or discharge of any obligation in this instrument or secured by this instrument, or should the parties named as Borrower die or be declared incompetent, or should any one of the parties named as Borrower be declared a bankrupt or an insolvent, or make an assignment for the benefit of creditors, the Government, at its option, with or without notice, may: (a) declare the entire amount unpaid under the note and any indebtedness to the Government hereby secured immediately due and payable, (b) for the account of Borrower incur and pay reasonable expenses for repair or maintenance of and take possession of, operate or rent the property, (c) upon application by it and production of this instrument, without other evidence and without notice of hearing of said application, have a receiver appointed for the property, with the usual powers of receivers in like cases, (d) foreclose this instrument as provided herein or by law, and (e) enforce any and all other rights and remedies provided herein or by present or future laws.

(18) The proceeds of foreclosure sale shall be applied in the following order to the payment of: (a) costs and expenses incident to enforcing or complying with the provisions hereof, (b) any prior liens required by law or a competent court to be so paid, (c) the debt evidenced by the note and all indebtedness to the Government secured hereby, (d) inferior liens of record required by law or a competent court to be so paid, (e) at the Government's option, any other indebtedness of Borrower owing to or insured by the Government, and (f) any balance to Borrower. At foreclosure or other sale of all or any part of the property, the Government and its agents may bid and purchase as a stranger and may pay the Government's share of the purchase price by crediting such amount on any debts of Borrower owing to or insured by the Government, in the order prescribed above.

(19) Borrower agrees that the Government will not be bound by any present or future laws, (a) providing for valuation, appraisal, homestead or exemption of the property, (b) prohibiting maintenance of an action for a deficiency judgment or limiting the amount thereof or the time within which such action must be brought, (c) prescribing any other statute of limitations, or (d) limiting the conditions which the Government may by regulation impose, including the interest rate it may charge, as a condition of approving a transfer of the property to a new Borrower. Borrower expressly waives the benefit of any such State laws. Borrower hereby relinquishes, waives, and conveys all rights, inchoate or consummate, of descent.

(20) If any part of the loan for which this instrument is given shall be used to finance the purchase, construction or repair of property to be used as an owner-occupied dwelling (herein called "the dwelling") and if Borrower intends to sell or rent the dwelling, and has obtained the Government's consent to do so (a) neither Borrower nor anyone authorized to act for Borrower will, after receipt of a bona fide offer, refuse to negotiate for the sale or rental of the dwelling or will otherwise make unavailable or deny the dwelling to anyone because of race, color, religion, sex or national origin, and (b) Borrower recognizes as illegal and hereby disclaims, and will not comply with or attempt to enforce any restrictive covenants on the dwelling relating to race, color, religion, sex or national origin.

(21) This instrument shall be subject to the present regulations of the Farmers Home Administration, and to its future regulations not inconsistent with the express provisions hereof.

(22) Notices given hereunder shall be sent by certified mail, unless otherwise required by law, and addressed, unless and until some other address is designated in a notice so given, in the case of the Government to Farmers Home Administration, P. O. Box 905, Federal Building, Harrisburg, Pennsylvania 17108, and in the case of Borrower to the address shown in the Farmers Home Administration Finance Office records (which normally will be the same as the post office address shown above).

M3204-0995

(23) Upon default by Borrower as aforesaid, the Government may foreclose this instrument as authorized or permitted by the laws then existing of the jurisdiction where the property is situated and of the United States of America, on terms and conditions satisfactory to the Government, including but not limited to foreclosure by (a) statutory power of sale, or (b) advertisement and sale of the property at public auction to the highest bidder in one or more parcels at the Government's option and at the time and place and in the manner and after such notice and on terms required by statute or determined by the Government if not contrary to statute, or (c) written agreement hereafter made between Borrower and the Government.

(24) THIS DOCUMENT MAY NOT SELL, CONVEY, TRANSFER, INCLUDE, OR INSURE THE TITLE TO THE COAL AND RIGHT OF SUPPORT UNDERNEATH THE SURFACE LAND DESCRIBED OR REFERRED TO HEREIN: AND THE OWNER OR OWNERS OF SUCH COAL MAY HAVE THE COMPLETE LEGAL RIGHT TO REMOVE ALL SUCH COAL, AND IN THAT CONNECTION DAMAGE MAY RESULT TO THE SURFACE OF THE LAND AND ANY HOUSE, BUILDING, OR OTHER STRUCTURE ON OR IN SUCH LAND. THE INCLUSION OF THIS NOTICE DOES NOT ENLARGE, RESTRICT OR MODIFY ANY LEGAL RIGHTS OR ESTATES OTHERWISE CREATED, TRANSFERRED, EXCEPTED OR RESERVED BY THIS INSTRUMENT.

(25) If any provision of this instrument or application thereof to any person or circumstances is held invalid, such invalidity will not affect other provisions or applications of the instrument which can be given effect without the invalid provision or application, and to that end the provisions hereof are declared to be severable.

(12) Except as otherwise provided by the Farmers Home Administration regulations, neither the property nor any portion thereof or interest therein shall be leased, assigned, sold, transferred, or encumbered voluntarily or otherwise, without the written consent of the Government. The Government shall have the sole and exclusive rights as mortgagee hereunder, including but not limited to the power to grant consents, partial releases, subordinations, and satisfaction, and no insured holder shall have any right, title or interest in or to the lien or any benefits hereof.

(13) At all reasonable times the Government and its agents may inspect the property to ascertain whether the covenants and agreements contained herein or in any supplementary agreement are being performed.

(14) The Government may (a) adjust the interest rate, payment, terms or balance due on the loan, (b) increase the mortgage by an amount equal to deferred interest on the outstanding principal balance, (c) extend or defer the maturity of, and renew and reschedule the payments on, the debt evidenced by the note or any indebtedness to the Government secured by this instrument, (d) release any party who is liable under the note or for the debt from liability to the Government, (e) release portions of the property and subordinate its lien, and (f) waive any other of its rights under this instrument. Any and all this can and will be done without affecting the lien or the priority of this instrument or Borrower's or any other party's liability to the Government for payment of the note or debt secured by this instrument unless the Government says otherwise in writing. HOWEVER, any forbearance by the Government—whether once or often—in exercising any right or remedy under this instrument, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy.

(15) If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a production credit association, a Federal land bank, or other responsible cooperative or private credit source, at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will upon the Government's request, apply for and accept such loan in sufficient amount to pay the note and any indebtedness secured hereby and to pay for any stock necessary to be purchased in a cooperative lending agency in connection with such loan.

(16) Default hereunder shall constitute default under any other real estate, or under any personal property, or other security instrument held or insured by the Government and executed or assumed by Borrower, and default under any such other security instrument shall constitute default hereunder.

(17) SHOULD DEFAULT occur in the performance or discharge of any obligation in this instrument or secured by this instrument, or should the parties named as Borrower die or be declared incompetent, or should any one of the parties named as Borrower be discharged in bankruptcy or declared an insolvent or make an assignment for the benefit of creditors, the Government, at its option, with or without notice, may: (a) declare the entire amount unpaid under the note and any indebtedness to the Government hereby secured immediately due and payable, (b) for the account of Borrower incur and pay reasonable expenses for repair or maintenance of and take possession of, operate or rent the property, (c) upon application by it and production of this instrument, without other evidence and without notice of hearing of said application, have a receiver appointed for the property, with the usual powers of receivers in like cases, (d) foreclose this instrument as provided herein or by law, and (e) enforce any and all other rights and remedies provided herein or by present or future laws.

(18) The proceeds of foreclosure sale shall be applied in the following order to the payment of: (a) costs and expenses incident to enforcing or complying with the provisions hereof, (b) any prior liens required by law or a competent court to be so paid, (c) the debt evidenced by the note and all indebtedness to the Government secured hereby, (d) inferior liens of record required by law or a competent court to be so paid, (e) at the Government's option, any other indebtedness of Borrower owing to or insured by the Government, and (f) any balance to Borrower. At foreclosure or other sale of all or any part of the property, the Government and its agents may bid and purchase as a stranger and may pay the Government's share of the purchase price by crediting such amount on any debts of Borrower owing to or insured by the Government, in the order prescribed above.

(19) Borrower agrees that the Government will not be bound by any present or future laws, (a) providing for valuation, appraisal, homestead or exemption of the property, (b) prohibiting maintenance of an action for a deficiency judgment or limiting the amount thereof or the time within which such action must be brought, (c) prescribing any other statute of limitations, or (d) limiting the conditions which the Government may by regulation impose, including the interest rate it may charge, as a condition of approving a transfer of the property to a new Borrower. Borrower expressly waives the benefit of any such State laws. Borrower hereby relinquishes, waives, and conveys all rights, inchoate or consummate, of descent.

(20) If any part of the loan for which this instrument is given shall be used to finance the purchase, construction or repair of property to be used as an owner-occupied dwelling (herein called "the dwelling") and if Borrower intends to sell or rent the dwelling and has obtained the Government's consent to do so (a) neither Borrower nor anyone authorized to act for Borrower will, after receipt of a bona fide offer, refuse to negotiate for the sale or rental of the dwelling or will otherwise make unavailable or deny the dwelling to anyone because of race, color, religion, sex, national origin, handicap, familial status or age, and (b) Borrower recognizes as illegal and hereby disclaims, and will not comply with or attempt to enforce any restrictive covenants on the dwelling relating to race, color, religion, sex, national origin, handicap, familial status or age.

REAMORTIZATION AGREEMENT

Account Number
[REDACTED]Effective Date
May 3, 1999

The United States of America, acting through the Rural Housing Service, United States Department of Agriculture (Lender), is the owner and holder of a promissory note or assumption agreement (Note) in the principal sum of \$ 76561.94, plus interest on the unpaid principal of 8.75000% per year, executed by SANDRA J MILLER and [REDACTED], (Borrower) dated February 3, 1995 and payable to the order of the Lender. The current outstanding balance includes unpaid principal, accrued unpaid interest, unpaid advances and fees. The total outstanding balance is \$ 89231.01.

In consideration of the reamortization of the note or assumption agreement and the promises contained in this agreement, the outstanding balance is capitalized and is now principal to be repaid at 8.75000% per annum at \$ 708.42 per month beginning June 03, 1999 and on the 3rd day of each succeeding month until the principal and interest are paid, except that the final installment of the entire debt, if not paid sooner, will be due and payable on February 03, 2028.

Subject to applicable law or to a written waiver by Lender, Borrower shall pay to lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for : (a) yearly taxes and assessments which may attain priority over Lender's mortgage or deed of trust (Security Instrument) as a lien on the secured property described in the Security Agreement (Property); (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; and (d) yearly flood insurance premiums, if any. These items are called "Escrow Items." Lender may, at any time, collect and hold funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan, may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. Section 2601 et seq. ("RESPA"), unless another law or federal regulation that applies to the funds sets a lesser amount. If so, Lender may, at any time, collect and hold funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The funds shall be held by a federal agency, including Lender, or in an institution whose deposits are insured by a federal agency, instrumentality, or entity. Lender shall apply funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits the Lender to make such charge. However, Lender may require

borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the funds.

Lender shall give to borrower, without charge, an annual accounting of the funds, showing credits and debits to the funds and the purpose for which each debit to the Funds was made. The funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

Unless changed by this agreement, all of the terms of the note or assumption agreement or the instruments that secure them, remain unchanged.

Upon default in the payment of any one of the above installments or failure to comply with any of the conditions and agreements contained in the above-described note or assumption agreement or the instruments securing it, the Lender, at its option may declare the entire debt immediately due and payable and may take any other action authorized to remedy the default.

You have the right to cure your monetary default and stop foreclosure action thereby reinstating your mortgage by bringing your mortgage account up-to-date at any time from now up until one hour before the commencement of bidding at the United States Marshal's sale.

You may cure your monetary default by paying the total of all the following charges:

- Pay any additional foreclosure costs which may include costs of title examination, court costs, and cost of advertising the foreclosure sale.

You should contact Centralized Servicing Center where your account is being serviced at 1(800)793-8861 or mail your request to PO Box 66827, St.Louis, MO 63166 in order to obtain the exact amount your account(s) is(are) behind. You may reinstate not more than three times in any one calendar year.

The payment may also be made to the U.S. Marshal who conducts the sale up to one hour before the bidding commences.

You are hereby notified that unless the accounts(s) is(are) paid current and other violations removed or said indebtedness is paid in full within 30 days from the receipt of this notice, the United States of America will take action to foreclose. The earliest date on which your property will be sold by the United States Marshal will be approximately 60 days from the date of this letter. If you submit to the Centralized Servicing Center any payment insufficient to cure the account in full or insufficient to pay the entire indebtedness, should you desire to select such option, such payment **WILL NOT CANCEL** the effect of this notice. If insufficient payments are received and credited to your account, no waiver or prejudice of any rights which the United States may have will result and the RHS may proceed as though no such payments had been made.

YOUR RIGHT TO A DISCUSSION WITH RHS- You have the opportunity to discuss this decision to accelerate your loan(s) with a RHS official or have an administrative appeal hearing before the foreclosure takes place. This is an opportunity to discuss why you believe the United States is in error in accelerating your loan(s) and proceeding with foreclosure. If you desire to have an informal discussion with an RHS official or have any questions concerning this decision or the facts used in making this decision, you should contact this office in writing. The request for an informal discussion must be sent to the undersigned no later than 04/23/15 . Requests which are postmarked by the U. S. Postal Service on or before that date will be considered as timely received. You also have the right to an administrative appeal hearing with a hearing officer instead of, or in addition to, an informal discussion with this office. If you request an informal discussion with an RHS official, and this does not result in a decision in which you concur, you will be given a separate time frame in which to submit your request for an administrative appeal. (See the attachment for your appeal rights.)

YOUR RIGHT TO AN ADMINISTRATIVE APPEAL HEARING -If you do not wish to have an informal discussion with an RHS official as outlined above, you may request an administrative appeal with a member of the National Appeals Division Area Supervisor, no later than 30 days after the date on which you received this notice. Requests which are postmarked by the U.S. Postal Service on or before that date will be considered as timely received as requesting an administrative appeal. Please include a copy of this letter with your request.

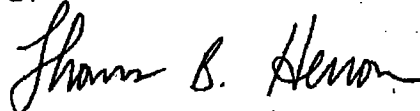

If you fail to comply with the requirements outlined, the United States plans to proceed with foreclosure. You may avoid foreclosure by (1) refinancing your RHS loan(s) with a private or commercial lender or otherwise paying your indebtedness in full; (2) selling the property for its fair market value and applying the proceeds to your loan(s); (3) transferring the loan(s) and property to an eligible applicant with RHS approval; or (4) conveying the property to the Government with RHS approval. Please contact our Centralized Servicing Center office at 1-800-793-8861, if you desire to satisfy your loan(s) by one of the above methods.

You cannot be denied a loan because all or a part of your income is from a public assistance program. If you believe you have been discriminated against for any of these reasons, you should write to the Secretary of Agriculture, Washington, D.C. 20250.

APPEALS RIGHTS ATTACHMENT

If you believe the decision described in the attached letter or the facts used in this case are in error, you may pursue any or all of the following three options.

OPTION 1 - Reconsideration

If you have questions concerning this decision or the facts used in making it and desire further explanation, you may write this office to request reconsideration. There is no cost for reconsideration. This written request must be received no later than 15 calendar days from the date of the attached letter. You must present any new information, evidence and/or possible alternatives along with your request. You may skip this informal process and select one of the following two options. If you do, you will automatically waive your right to reconsideration.

OPTION 2 - Mediation

You have the right to request mediation or other forms of alternative dispute resolution (ADR) of the issues in this decision. *You may have to pay for the cost of mediation.* If you request mediation or ADR, and resources are available, Rural Development will participate in the mediation or ADR process. To request mediation or ADR, you must write the Rural Development State Director (see reverse side). The written notice must be postmarked by you no later than 30 calendar days from the date of this letter. Mediation and ADR do not take the place of, or limit your rights to, an appeal to the National Appeals Division (NAD); however, a NAD appeal hearing would take place after mediation. You may skip mediation and request an appeal hearing. However, in doing so, you will automatically waive your rights to mediation and reconsideration.

OPTION 3 - Request an Appeal

You may request an appeal hearing by the National Appeals Division (NAD) rather than reconsideration or mediation. There is no cost for an appeal. A request for an appeal must be postmarked within 30 days from the date on which you received this letter. You must write the Assistant Director of the NAD (see reverse side).

The appeal hearing will generally be held within 45 days of the receipt of your request.

You or your representative or counsel may contact this office anytime during regular office hours in the 10 days following the receipt of your request for a hearing to obtain copies of relevant, non-confidential material on your account. Your representative or counsel should have your written authorization to represent you and review your account records.

You may request a teleconference hearing or a personal meeting with a Hearing Officer. You may have a representative or counsel with you at these hearings and may present your own witnesses. At any time before the scheduled hearing you may also request that the Hearing Officer make a decision without a hearing. If you do, the Hearing Officer's decision will be based on the Rural Development file, any written statements or evidence you may provide and any additional information the Hearing Officer deems necessary.
